Refunds and Make-Up Days

Refunds are not given. Please make up all missed classes within one month. If your student is ill and misses a session, or if you and your student have an important conflicting appointment, please claim a make up day. There's no need to telephone or email – your child should simply attend an additional session. Make up days work on the honor system: please bear in mind that sport practices, social engagements, and nice weather are not acceptable reasons to miss sessions and claim make up days! If your child's schedule changes permanently, please contact us so that we can arrange a new Homework Club schedule. Homework Club staffs for the expected number of students per day. It's important for your student to keep his/her registered schedule so that all students receive sufficient personal attention. Students who arrive late or leave early will be charged for the entire session; punctuality is important to build time management skills.

I have read and accept all Homework Club policies
